***FINANCIAL STATEMENTS FOR THE PERIOD
ENDED 31ST MARCH 2019***

OF

IRC LEASING & FINANCE LTD

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IRC LEASING & FINANCE LTD

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **IRC LEASING & FINANCE LTD** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss for the year then ended, the cash flow statement and notes to financial statement including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, profit/loss for the year ended on that date and the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2018 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, a statement on the matters Specified in paragraphs 3 and 4 of the Order, is given in "Annexure A" attached hereto.

2. As required by Section 143 (3) of the Act, we report that:

ANNEXURE – B

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **IRC LEASING & FINANCE LIMITED** ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE - 1: -

SIGNIFICANT ACCOUNTING POLICIES & NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019:

1.1 ACCOUNTING POLICIES:

a) Basis of Accounting:

The financial statements have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) and materially comply in all respects with the mandatory accounting standards notified u/s 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014.

b) Use of estimates:

Preparation of these accounts may require management to make estimates and assumptions that may affect the reported amounts of assets and liabilities. These are based on management's knowledge of current events which could differ subsequently from those estimates, if any, and recognized in current and future periods.

c) Revenue Recognition:

Unless otherwise stated, the method of accounting adopted by the Company is on accrual basis.

d) Fixed Assets and Depreciation:

All fixed assets are stated at cost of acquisition less accumulated depreciation, cost of acquisition is inclusive of freight, duties and taxes borrowing cost, etc. less depreciation, Impairment losses and special grants received, if any.

Depreciation on assets is provided on the straight-line method over the useful lives of assets as prescribed in schedule II of the Companies Act, 2013 on a pro-rata basis. Depreciation for assets purchased / sold during a period is proportionately charged.

e) Impairment of Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

f) Inventories:

Inventories are valued at the lower of cost and net realizable value. Net Realizable Value is the selling price in the ordinary course of business, less estimated costs necessary to complete the sale. The Company has no inventory.

g) Investments

Long Term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of investments. Current Investments are carried at the lower of cost and fair value determined on an individual basis.

h) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the statement of Profit & Loss in

the period which they occur. Borrowing Costs consist of interest and other costs incurred in connection with borrowing of funds.

j) Income Taxes

Tax expense comprises of current and deferred tax. The deferred tax charge or credit is recognized using current tax rates. Deferred Tax Assets are recognized only to the extent there is reasonable certainty of realization in future. Deferred Tax Assets/Liabilities are reviewed as at each Balance Sheet date.

j) Contingencies/Provisions

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A Contingent Liability is disclosed, unless the possibility of an outflow of resources embodying economic benefit is remote.

k) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash in hand, cash at bank, demand deposits with the banks and other short-term highly liquid investments/deposits with an original maturity of three months or less.

1.2 NOTES ON ACCOUNTS

6. No Provision for Current Tax is made in view of the losses for the year. In view of carried forward losses, the company has deferred tax assets; however, as a matter of prudence and in view of the absence of virtual certainty of future taxable income, the same has not been recognized in the financial statements.
7. There are no micro, small and medium enterprises, as defined in the Micro, Small, Medium Enterprises Development Act, 2006 to whom the company owes dues on account of principle amount together with interest and accordingly no additional disclosures have been made. The above information has been determined to the extent such parties have been identified on the basis of information available with the company. This has been relied upon by the auditors.
8. Figures of previous years have been rearranged or regrouped wherever necessary.
