**Basis for Opinion**

We conducted our audit in accordance with the Standards on 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

A) Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

B) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

3) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

C) Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

D) We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

E) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

NOTE - 1: -

## SIGNIFICANT ACCOUNTING POLICIES & NOTES FORMING PART OF FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021:

### 1.1 ACCOUNTING POLICIES:

#### **a) Basis of Accounting:**

The financial statements have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) and materially comply in all respects with the mandatory accounting standards notified u/s 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014.

#### **b) Use of estimates:**

Preparation of these accounts may require management to make estimates and assumptions that may affect the reported amounts of assets and liabilities. These are based on management's knowledge of current events which could differ subsequently from those estimates, if any, and recognized in current and future periods.

#### **c) Revenue Recognition:**

Unless otherwise stated, the method of accounting adopted by the Company is on accrual basis.

#### **d) Fixed Assets and Depreciation:**

All fixed assets are stated at cost of acquisition less accumulated depreciation, cost of acquisition is inclusive of freight, duties and taxes borrowing cost, etc. less depreciation, Impairment losses and special grants received, if any.

Depreciation on assets is provided on the straight-line method over the useful lives of assets as prescribed in schedule II of the Companies Act, 2013 on a pro-rata basis. Depreciation for assets purchased / sold during a period is proportionately charged.

#### **e) Impairment of Assets**

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the

impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**f) Inventories:**

Inventories are valued at the lower of cost and net realizable value. Net Realizable Value is the selling price in the ordinary course of business, less estimated costs necessary to complete the sale. The Company has no inventory.

**g) Investments**

Long Term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of investments. Current Investments are carried at the lower of cost and fair value determined on an individual basis.

**h) Borrowing Costs**

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the statement of Profit & Loss in the period which they occur. Borrowing Costs consist of interest and other costs incurred in connection with borrowing of funds.

**i) Income Taxes**

Tax expense comprises of current and deferred tax. The deferred tax charge or credit is recognized using current tax rates. Deferred Tax Assets are recognized only to the extent there is reasonable certainty of realization in future. Deferred Tax Assets/Liabilities are reviewed as at each Balance Sheet date.

**j) Contingencies/Provisions**

A Provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A Contingent Liability is disclosed, unless the possibility of an outflow of resources embodying economic benefit is remote.

#### **k) Cash and Cash Equivalents**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash in hand, cash at bank, demand deposits with the banks and other short-term highly liquid investments/deposits with an original maturity of three months or less.

### **1.2 NOTES ON ACCOUNTS**

1. Accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. The Company is engaged in only one business segment, therefore, segmental information as per Accounting Standard 17 is not required to be disclosed.

	<u>2020-2021</u>	<u>2019-2020</u>
